

VOLUNTEERING AT THE NATIONAL BREWERY CENTRE

Since the re-opening of the Museum last year we have identified many exciting projects which could provide opportunities for Volunteers.

These range from Vintage Vehicle maintenance , assisting with the Robey engine steaming, enhancing the Visitor Experience as a gallery volunteer and guide or helping in the Archive.

All projects will be supervised and some training can be given.

If you are a student looking for workplace experience or preparing to return to work or even retired with a few spare hours –get in touch with us.

We want the best care for Burton's historic collections and **WE NEED YOU TO HELP US!**
